A Look Back - Water Week!

Water Limbo

Our Water Week started with a splash with Paper Plate Fish in Art and nautical songs in Music. Special was especially wet with lots of competition in the Water Limbo Contest. The hot weather created the perfect atmosphere as we played in

the water all day!

Water Science

The water fun continued Tuesday with hand-print crabs in Art and a pool noodle sprinkler during Fun with Friends. Rain in the afternoon did not disrupt our fun as the campers watched and participated in water science experiments

during Special!

Meet the Staff

Adam Miller
Group Leader

10th Year at Camp Hope

Adam is excited to be back for yet another summer at Camp Hope! Adam's endless enthusiasm and spirit help him to create lasting memories for our campers.

"My three favorite places in the world are Disney World, a baseball field, and Camp Hope," Adam said. His years of service to Camp show how much this place means to him.

Wet & Wild Relay Races

Wednesday brought beautiful weather to camp, and we took advantage by playing croquet, horsing around on the playground, and enjoying the pool. Our Afternoon Special was extra fun today as the campers participated in Wet and Wild

Relay Races in the warm afternoon sun! It was a great day at camp!

Water Balloon Baseball

The wet fun kept going as the campers played with water balloons! There was water balloon Hot Potato in Music and the Water Balloon Baseball game in Afternoon Special. The campers were ready to swing those bats since they practiced their baseball skills in Sports earlier in the day.

Camp Car Wash

Friday brought the annual Camp Hope Car Wash! With our camper-created posters hung proudly, our Car Wash began. From 12-2pm, staff and campers had tons of fun hosing, scrubbing, and drying cars

to raise money for camp. Many visitors came making it a great success!

Spirit Week Preview

Week 4 is almost here!

Let's get spirited! We are getting our zaniest clothes out in preparation for next week! Monday we will be wearing our favorite superhero gear, Tuesday we will be sporting our favorite hats, and Wednesday we will be wearing our wackiest shirts. Our week will also feature Tie Dye and Camp Olympics, so look for more updates as the week proceeds!

Important Messages from Camp

Reminders:

Each camper should bring his/her swim-suit, towel, sunscreen, and lunch each day. Please make sure that all items are labeled with your camper's full name. Please apply sunscreen before arriving at camp. Camp staff will assist campers with sunscreen reapplications.
