## 2020 Guide for The Arc of Essex County's Camp Hope Registration and Application Process

Thank you for your interest in Camp Hope. The Arc of Essex County's Camp Hope Program has been providing summer camp experiences for children and adults with intellectual and developmental disabilities for over 60 years!! Camp Hope provides traditional camp activities including supervised swimming and outdoor fun with modified sports, arts & crafts, and music. While enjoying these activities, attention to skill development is provided in the areas of daily living skills, peer interaction, socialization skills, and developing appropriate behaviors. Our goal is for each camper to have a camp experience filled with fun, socialization, and incorporate some education along the way...

### 2020 CAMP SEASON DATES

The 2020 Camp Hope season will begin on Monday, June 29, 2020 and ending on Friday, August 14, 2020. The hours of operation are 9:00 a.m. to 3:00 p.m., Monday through Friday.

### CAMP SERVICES

- **TRADITIONAL CAMP SERVICES**

For each week of camp, campers are assigned a group based on age. Staff support for each group is generally determined by the age mix of each group. For the 2020 Camp Hope Season, in addition to a group leader assigned to each camper group, we anticipate the staff to camper ratios as follows:

- Age 5 through 12: 1 staff for every 3 campers;
- Age 13 through 20: 1 staff for every 5 campers;
- Age 21 and over: 1 staff for every 6 campers.

Additional supports for the overall Camp Hope program include a manager, assistant manager, on site full time health professional, specialists in various activities, certified life guards, and behavioral supports.

- **ONE-TO-ONE SERVICES**

One to one staff support is available for campers whose needs are determined to exceed the assigned staff-to-camper ratio. If it is determined that your camper meets the criteria for this support, please note that we have a limited amount of staff available and there is an additional fee for this support.

- **TRANSPORTATION SERVICES**

Curb-to-curb transportation to and from camp is available for an additional fee for those who live in Essex County.

- **ESY SUMMER DAY PROGRAM**

In addition to the traditional camp experience, The Arc of Essex County offers the **ESY Summer Day Program at Camp Hope**. This program is supervised by a certified special education teacher and includes an academic period as well as an academic themed approach to the camp day to enhance the camper's knowledge of their environment. Each day, in addition to the academic component, children participate in art class, nature class, adaptive physical education, swimming, and music appreciation. If you are interested in the ESY Summer Day Program at Camp Hope as your child's extended school year program, you must contact your school district's child study team to request this program. Upon agreement, please have your district complete the School District Response Form and return it to The Arc of Essex County immediately. Please see the Tuition and Funding information for more details.
